

Portfolio Requirements
9th Honors English
Ms. Mitchell

The portfolio requirements for this year's Honors English 9 class are:

Put in the English section of your white portfolio binder:

1. Your sonnet. This should be a clean, printed copy of the sonnet as opposed to the graded version.
2. Your favorite piece of writing from the year. This can be an essay or a creative piece.
3. Your reflection on the two pieces written. Evaluate each piece in terms of:
 - a. Your progress as a writer over the year. Was this piece from the beginning of the year? The end? If the end, evaluate it in terms of Homo Faber, using the development of aesthetics over time as your focus.
 - b. How the piece relates to the book that was read at the same time. Do you think it was a valuable assignment in helping you understand the book?
 - c. Relate each piece to the Areas of Interaction most relevant to the piece, besides Homo Faber.

PORTFOLIO DUE END OF CLASS, THURSDAY, June 9th.
